Congratulations, Dorney Park & Wildwater Kingdom
Allentown

Dorney Park & Wildwater Kingdom, an Allentown-based amusement park that is owned and operated by Cedar Fair Entertainment, offers numerous job opportunities for individuals aged 16 years and older. These jobs include seasonal, entry-level positions, skilled trades, internships, and professional employment.

In addition to partnering with the Office of Vocational Rehabilitation (OVR) to identify and recruit employees who have disabilities, Dorney Park & Wildwater Kingdom has participated in many OVR hiring events and job fairs that target job seekers with disabilities. Last year, Dorney Park & Wildwater Kingdom also collaborated with the Allentown Bureau of Vocational Rehabilitation Services.

For the 2016 season, Dorney Park & Wildwater Kingdom employed several OVR customers, including 10 high school students and young adults. These individuals were offered competitive wages and an integrated environment. Jobs held by these students included food service worker, ride operator, warehouse clerk, and general utility worker. Dorney Park & Wildwater Kingdom also partnered with OVR to provide accommodation and scheduling requests, when possible, for both seasonal and year-round professional employees with disabilities. OVR is excited about the possibilities of expanding the development of internships and a Work-based Learning Experience program for youth with disabilities.
